The image shows a mobile application interface for 'COPD Monitor'. The app has a blue header bar with a hamburger menu icon on the left, the title 'COPD Monitor' in the center, and a search icon and a three-dot menu icon on the right. The status bar at the top shows signal strength, Wi-Fi, and the time 15:00. The main content area is a light gray form with several white input fields stacked vertically. The fields are labeled: 'Full name', 'Gender', 'Date of birth', 'Diagnosis of COPD', 'Height', 'Email', 'Password', and 'Confirm Password'. Below the password fields is a consent checkbox labeled 'I consent to the processing of my data as laid out in the privacy policy', which is checked. At the bottom of the form is a large blue button labeled 'Sign Up'. Below the button is a link that says 'Already have an account? Sign In'.

The image shows a mobile app interface for 'DPOC Monitor App'. At the top, there is a teal header bar with a hamburger menu icon on the left, the app name 'DPOC Monitor App' in the center, and a toggle switch on the right. Below the header, the main content area has a white background. It starts with the text 'Feeling unwell?' in bold, followed by a sad face emoji. Below this is the question 'How is your breathlessness today?'. A horizontal blue slider is positioned below the question, with a blue dot indicating the current selection. Under the slider, a light red rectangular box contains the text 'Slightly Increased' in bold. At the bottom of the main content area, there is a blue button with the text 'Confirm'. Below the button, the text 'Page 1/4' is displayed.
